Top Cleaner Poly

Deck washer for plastic greenhouses.

Put an end to the pollution of your film deck and provide tens of percents more light in the greenhouse. Especially in the winter season, even in sunny areas, the Top Cleaner Poly proves its added value. This is offset by a modest investment.
The Top Cleaner Poly is a balanced, light and complete greenhouse deck cleaner, with which you can also apply an even coating to your film greenhouse. Other advantages of the Top Cleaner Poly are:

- Fits every roof width.
- Suitable for single and double film.
- The brushes do not damage your film.
- Easy to move with a crane, you do not need expensive rail systems.
